Hi Ali,

How are you doing? I hope everything is going great with you.

I just wanted to check on you because we haven't talked for a long time. Life has been really busy lately, especially with work and studying English, but I'm trying my best to improve every day.

Last week, I started watching English movies without subtitles, and it was actually fun and helpful! We should practice English together sometime.

Anyway, take care and send my regards to your family.

See you soon!

Your friend,
Mohammed
